

To Malu...

Driving on the main road to Nakuru from Nairobi, pass the Naivasha town turning on your left and continue past the new Kobil Delamere Fuel Station.

After approximately 2 km take the first right turning signed to Malu and the Dairy Training institute, and up into the forest.

The road passes through the Oloragwai vegetable fields before reaching our gate, then then continues up the hill to the cottages and restaurant.

We look forward to welcoming you
